Dear Member

This letter is to inform you of a change to our formulary. Effective on January 1<sup>st</sup>, 2009, several drugs will move from Tier 2 (preferred brand tier) to Tier 3 (non preferred brand tier). Below is a list of drugs that will be changing tiers along with their formulary alternatives. You are receiving this letter because we have identified at least one of the following drugs in your recent history. We recommend that you discuss your situation with your physician to see if switching to one of the recommended drugs is appropriate.
